

VILLAGE HALL UPDATE. JANUARY 2019

Clungunford Sports and Social Club Membership

An Extraordinary meeting of the members was held on the 10th December 2018. There, they voted by over 90% to amalgamate the operational and management functions of the Club and The Parish Hall. As a result, membership fees are no longer required from 1st January 2019. Following the refurbishment, all the existing events and functions held at the hall will continue with hopefully lots of new and exciting ones too.

Saturday Dancing Moving to Onibury
